Buffalo Suzuki Strings is a music program dedicated to providing comprehensive music training utilizing the Suzuki method pioneered by the late Dr. Shinichi Suzuki. Buffalo Suzuki Strings is patterned after Dr. Suzuki's Talent Education philosophy that any child can learn to play an instrument when the environment surrounding the child is supportive in the most positive way. Through excellence in environment and musical training, BSS endeavors to guide students to a better adulthood as a result of exceptional training in childhood.

### *Celebrating more than 50 Years of Excellence*

Founded in 1969 by Mary Cay Neal, Buffalo Suzuki Strings has been bringing music to children and the world for 50 years.

Today we boast a well-trained faculty that provides expert instruction in Violin, Viola, Cello, Piano, Harp and Classical Guitar. In addition we offer Suzuki Early Childhood Music for children birth to 3 years of age.

Buffalo Suzuki Strings is dedicated to promoting Dr. Suzuki's goal of "World Harmony Through Music". This ideal is supported through BSS tours around the globe. We believe we can promote peace, understanding and friendship among the people of the world through the universal language of music.

### *Be a part of it all.*

This program booklet is sponsored and produced by the BSS Parents' Association. The Parents' Association supports the BSS instructional program by providing funds for professional development, continuing education and student enrichment.

We are currently accepting advertisers for our Annual Spring Concert to be held on March 29, 2020 at Rockwell Hall, Buffalo State College. Please consider advertising, placing a donation listing or a congratulatory message in our concert program this year. Your ad will be seen by thousands of Western New Yorkers who support the arts.
