

PROGRAMS FOR SUZUKI STUDENTS

Suzuki Program: Violin, Viola, Cello, Piano & Harp

Monday through Friday, 9:00 am– 12:00 pm

The three-hour morning workshop provides classes that focus on developing technique, musicality, note reading and ensemble playing. A variety of enrichment classes are designed to broaden our students' musical experiences in different and exciting ways. Age appropriate classes are designed to enhance the students' playing as they are inspired by those around them.

Introduction to the Suzuki Method: Ages 3-5

Monday through Friday, 9:00 am- 10:30 pm
Every child must be accompanied by an adult

The Intro Class at the Summer Workshop is a non-instrument specific class that teaches tempo beat, rhythm, watching and following the teacher, teamwork with the other students in the class, singing, introduction to a few basic intervals, and how to learn in an age appropriate but more formalized setting. All concepts are presented as games and activities. This class will help the children become familiar with the concepts they will be learning when they start lessons on their chosen instrument. Students in the Intro Class will participate in the concert on August 15, starting at 10:30 am.
